//FORWARDED :: BY ORDER//

SECTION OFFICER

ANNEXURE

Terms of Reference and timelines as annexure

1. The terms of reference for the committee:

   The principal objective of the committee is to make recommendations for establishing and running skill development centres in each of the 25 parliament constituencies in the state of Andhra Pradesh. In this direction, the committee will undertake comprehensive review of the existing skill development programmes run in the state, the skill gap study undertaken by various state skill development corporations, the training infrastructure, training firms present in each of the districts, infrastructure available to develop new skill development centers and a plan of action to develop the skill assessment, career counselling, training curriculum, placement and a tracking mechanism to track the progress of the employed youth.

2. The specific terms of reference include the following:

   a. **Skill Gap study**

      i. The Task Force shall review existing skill development framework in the State and identify major gaps to be addressed.
      ii. The Task Force shall interact with stakeholders such as APSSDC, SEEDAP, educational institutions, industry associations, major investors to understand skill requirements in various sectors and ability of existing skill development framework to meet these requirements.
      iii. The Task Force shall assess additional capacity required for skill development in the State and propose number of skill development centers (SDCs) to be set up across the State.
      iv. The Task Force may suggest a parliament wise roadmap for setting up of SDCs.
      v. The Task Force may also suggest methods to identify graduated students and other unemployed youth who need help with training and placement.

   b. **Infrastructure**

      i. The task force shall identify at least one University/College in each Parliamentary Constituency and suggest a methodology of engaging with the college to setup the SDC
      ii. The Task Force in consultation with concerned Departments, estimate technical and financial requirements for setting up Skill Development Centers in these University/College.

iii. The Task Force shall identify infrastructure & equipment requirements within the SDCs

iv. The task force shall also suggest additional infrastructure that is needed at District Industrial Centers (DICs) in order to create linkage with the local industries

c. **Assessment, Curriculum & Placement**

i. The Task Force shall identify requirement of trainers who are to be deployed for imparting various trainings at SDCs

ii. The Task force can also suggest alternate methods for engaging private training firms to develop SDCs, train and place the youth within the state

iii. The Task force is to suggest an assessment programme and career counselling programme for assessing the skill levels of various youth who approach the state for help.

iv. The Task force shall hold stakeholder meetings with Industries in the state to develop an industry relevant curriculum

v. The Task force shall also suggest methodologies to engage with industries to provide employment for the trained youth.

vi. The Task force will review the list of youth registered with the employment exchange and suggest a way to provide necessary training, re-skilling to introduce them back into the workforce

vii. The Task Force shall identify desired outcomes of this skill development strategy in a time bound manner

viii. The Task force shall also advice on the methodology to track the progress of the employed youth on an annual basis to ensure that the training programs are having the desired effect.

3. The committee will submit its report within eight weeks from its first meeting, which will be convened by the Chief Secretary in consultation with the Hon'ble Chairman.
